## About festivals:

[children-festivals.eu](https://children-festivals.eu)

Cruise Festival "World of Youth" – Unique festivals that provide an opportunity to showcase creative achievements to the public from around the world in the most prestigious theaters of luxury cruise ships. Perform in front of 2000 spectators on the same stage with such stars as Cirque du soleil (Cirque du Soleil).

To make an announcement in 7 languages with the most professional light and sound and to receive the evaluation of an expert jury is a worthy goal for the ambition of the creative teams.

The conditions of the festival are unbeatable:

Visit 3-5 countries – the most beautiful corners of the planet without tiring journeys and at the same time use the services and luxury of a 5\* cruise ship throughout the festival.

You will spend your time relaxing in the pools and jacuzzi, fitness, sauna, participating in daytime entertainment programs or evening programs or discos.

Dining on board NON-STOP with an improved buffet, breakfast, lunch and dinner. For dinner, festival participants have their seats in an elegant restaurant with 5 \* service and a choice of 4 courses of each course: cold and hot snacks, main course and dessert.
